FUNCTIONS**

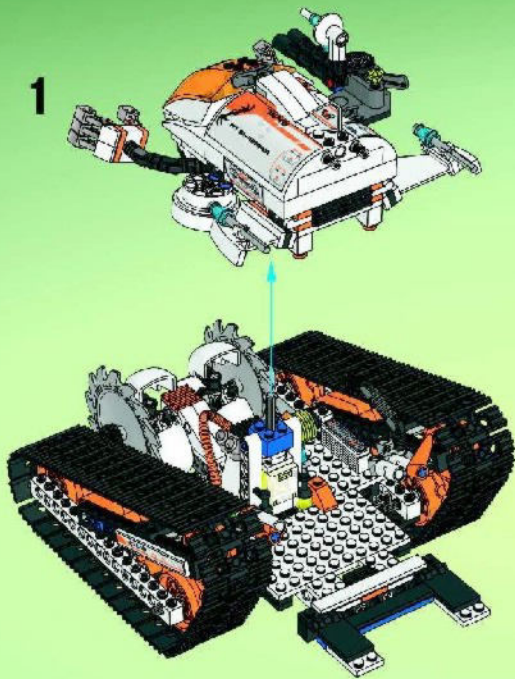

8885

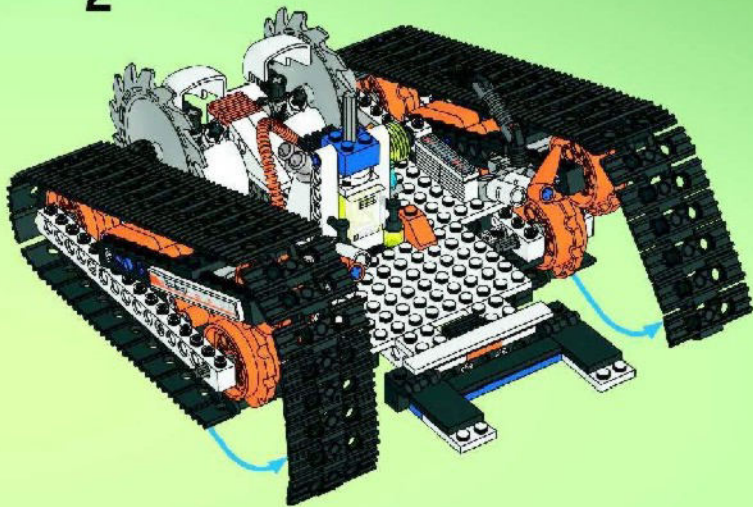

A detailed LEGO Technic tank, primarily white and black with orange and blue accents, is shown on a green hexagonal base. The tank features a large blue circular saw blade on its side and a red laser beam projecting from its front. A hand is holding a grey remote control device, which is pointed towards the tank. In the background, a purple planet is visible against a starry space backdrop. A computer screen overlay in the bottom left corner displays the LEGO Shop website interface, including a search bar, navigation tabs, and product listings. A pixelated hand cursor icon is positioned over the URL [WWW.LEGOSHOP.COM](http://WWW.LEGOSHOP.COM) at the bottom center of the green base.
